

They're back!

GOVERNOR'S SCHOOL FOUNDATION

Supporting Maggie L Walker Governor's School for Government and International Studies

At Maggie Walker, it's cool to be excited about being back in school. Our classrooms buzz with the energy of students who enjoy learning and faculty ready to engage their many interests. At our school, the whiz kid from math class might also be a Russian scholar or an artist who installs a three-story sculpture in one of our stairwells.

Our alumni, parents, and friends help make our special learning environment possible through their gifts. We hope you will consider making a donation to the 2013-2014 Annual Fund.
